

**Middle Snake Tamarac Rivers Watershed Partners  
Public Hearing for the 1W1P  
Comprehensive  
Watershed Management Plan  
Wednesday, July 13, 2022  
3:00 p.m. at the Marshall County Courthouse  
Room 1**

Those in attendance included Mark Holy (Policy Committee Member, Polk County), Nicole Bernd (West Polk SWCD), Katrina Haugen (MSTRWD), Josh Johnston (Marshall County), Jerry Hapka, Mori Maher (MSTRWD), Darren Carlson (Marshall County SWCD), Jacob Snyder (Polk County), Darrold Rodahl, Rachel Olm (HEI), Matt Fischer (BWSR), Derek Peterson (Policy Committee Member, West Polk SWCD), Rolland Miller (Policy committee member, Marshall County) , and Tony Nordby(HEI)

Nicole Bernd from Polk County SWCD, Steering Committee Member, reviewed the following:

- Planning Committees and their roll in the planning process
- Local priorities
- Watersheds that are participating in the 1W1P process
- Timeline

Rachel Olm from Houston Engineering, HEI, reviewed the following:

- Plan issues
- Public input
- Priority issues
- Measurable goals
- Actions
- Funding

Matt Fischer from the Board of Soil and Water reviewed the progress that the planning committees have made and thanked everyone for their work and input on the plan.

The floor was opened up for questions.

Mark Holy had some questions on the phosphorus loading map and asked if the map could be replaced with a more general map as the results were computer generated not on the ground observations.

Motion by Mr. Mark Holy, seconded by Mr. Derrek Petersen to Approve the Comprehensive Watershed Management plan contingent on the Policy committee approving the new Phosphorus loading map.

Motion unanimously carried.

Now that the plan is approved by the Policy committee it will be submitted to the Board of Water and Soil Resources, BWSR, at their regional meeting on August 3, 2022, with the approval of each Local Government Unit included in the Plan.

Meeting was adjourned at 3:58 p.m.
