GROUND RULES:**

1. Everyone participates; no one dominates.
2. There is not one “right” answer.
3. Keep an open mind.
4. Listen carefully to others.
5. Help keep the discussions on track.
6. Try hard to understand the views of those with whom you disagree.
7. Ask questions if you are uncertain of the meaning of someone else’s comments.
8. It is okay to have friendly disagreements – everyone has a right to his/her own views.
9. To help bring closure to a discussion, use the “I can live with it” rule.
