I propose to rent from the Middle-Snake-Tamarac Rivers Watershed District (MSTRWD) the following lands WITHIN THE PL 566 Off Channel Storage Site east of Radium for the 2021 thru the 2023 Crop years:

Tract	Bid Amount _____
--------------	-------------------------

Parcel 1: In the SE4, Sec 15, T155N, R46W (Comstock Township, Marshall County) approximately 27 acres more or less

Note: Bids are for the TOTAL AMOUNT FOR the 2021 thru 2023 crop years.

Parcel 1: I understand that due to this parcel being inside of the Off Channel Storage Site of the PL 566 Flood Control Project that the MSTRWD requires that the lands remain in an alfalfa/grass mixture.

1. The successful bidder or bidders will be required to enter into written rental agreement(s) for the use of the land for the production of agricultural crops for the 2021, 2022, and 2023 crop years. This agreement will require among other things that the bidder control all noxious weeds, observe good farming practices and operate the land in a husband like manner, and return the land its initial condition at the end of each farming season.
2. Rents will be due according to the following schedule: For 2021, one sixth within seven (7) days of the award of the rental agreement, with the remaining balance divided and due on or before November 1, 2021, April 1, 2022, November 1, 2022, April 1, 2023 and November 1, 2023.
3. All of the lands are rented at the sole risk of the bidder. The bidder acknowledges that the use of the land will be under the control of the District and the bidder will conduct all operation on the property in such a manner as not to interfere with the operation of the PL 566 Flood Control Project.
4. Electronic transmission of proposals is not allowed.

Proposals must be submitted on this form in a sealed envelope and delivered to the Middle Snake Tamarac Rivers Watershed District office at 453 North McKinley Street in Warren, MN 56762 by 1:00 p.m., **March 19, 2021**.
